

# Academic Scholars Program

## Requirements Checklist (Advising Form: For Student Files)

NAME \_\_\_\_\_

PID \_\_\_\_\_

First Semester at MSU \_\_\_\_\_

Requirement	Course Used	Semester	I.S. Req?	Advisor Initials
1. One Honors course or section in Integrative Studies (ISS, ISB, ISP, or IAH alpha codes only)	_____	_____	_____	_____
2. One additional Honors course or section in any area	_____	_____	_____	_____
3. Two additional enhanced classes (Enhanced classes include any Honors course or section, Honors options in regular courses, and the substitutes for Integrative Studies approved for Academic Scholars. If used, substitutes must be in two separate IS areas. For Honors courses open to Academic Scholars and approved ASP substitutes, see course lists on ASP website, at < <a href="http://www.msu.edu/~asp/course-arch.htm">http://www.msu.edu/~asp/course-arch.htm</a> >.)	_____	_____	_____	_____

Courses used to fulfill ASP requirements must be completed within the first two years of a Scholar's career at MSU. Scholars must also have a gpa of 3.0 or higher by the end of their second year to receive recognition of their participation in the program on their University transcript. Completion of ASP requirements will be certified by the Honors College and the program coordinator, but advisors are encouraged to keep those requirements in view when advising Academic Scholars on scheduling first- and second-year classes.

Questions on ASP requirements may be directed to Tess Tavormina, faculty coordinator for the program, at 432-1733 (e-mail: [tavrmina@msu.edu](mailto:tavrmina@msu.edu); office: 224 Morrill Hall). Or you may wish to consult the FAQ page on the ASP web site, at <<http://www.msu.edu/~asp/faq.htm>>.

### **Integrative Studies Review** (for Scholars who do not join the Honors College\*)

Completion of University requirements by Academic Scholars is certified by their academic advisors. Scholars are allowed up to two substitutions for Integrative Studies courses, with no more than one substitution in any single I.S. knowledge area, chosen from a select and generally stable list of approved substitutes recorded on the ASP web site. For details of Integrative Studies requirements for Academic Scholars, see the ASP FAQ page noted above.
