If you have accessibility, pet allergy, or other concerns about groups that are meeting in a home rather than at church, please check here and someone will contact you to answer your questions.

Sometimes people have to miss meetings; this is understandable. However, if you anticipate right now that you will be unable to attend more than a few meetings this is probably an indication that another time may be more suitable for you to join a covenant group.

Instructions: Please complete the information above, select a time by indicating with a number your first and second choice for a group. Drop off this form (or mail to) the church office located near the restrooms on the main floor. (If only one time fits your schedule, only check one)

Questions: Call the minister – Rev. Kathryn Bert 351-4081 ext. 5#

Please return these forms to the box outside the minister's office, or the main office to return to the minister.
